London Belongs To Me Jacquelyn Middleton

Your flight is now boarding! Join Alex Sinclair for a life-changing trans-Atlantic journey. *London Belongs to Me* is a coming-of-age story about friendship, following your dreams, and learning when to let go... and when to hang on.

A New City. A New Start. Same Old Demons...

Meet Alex, a recent college graduate from Tallahassee, Florida in love with London, pop culture, and comic cons. It's not easy being twenty-one-years-old, and Alex has never been the most popular girl. She's an outsider, a geeky fangirl ... with dreams of becoming a playwright in a city she's loved from afar, but never visited.

Fleeing America after a devastating betrayal, she believes London is where she'll be understood, where she belongs. But Alex's past of panic attacks and broken relationships is hard to escape. When her demons team up with a jealous rival determined to destroy her new British life, Alex begins to question everything: her life-long dream, her new friends, and whether London is where she truly belongs.
