On the tropical valley isle of Maui, everything is done at the speed of "Maui Time"--when someone gets to it. For Dr. June Kato, it means her baby will be born when it is good and ready to finally join the family. And it might not be at the most convenient time! Only days before her due date, pregnant June Kato is at the end of her wits when her home is invaded by poisonous creatures. Ordinarily tougher than nails, June's real concern is about her baby only days away from being born. Concerned pregnant women all over Maui have been dying from scorpion stings, June steps in to find out this little piece of paradise is under attack. Can she find out what--or who--is responsible for the untimely deaths before her own baby comes? And what will she risk to bring it to an end?
