Operations Management with MyOMLab (6th Edition)

Nigel Slack, Stuart Chambers, Robert Johnston

Operations Management with MyOMLab (6th Edition) Nigel Slack, Stuart Chambers, Robert Johnston

A long-time market leader in this discipline, Slack has set the standards in Operations Management which other textbooks seek to emulate. Expert authorship, an engaging writing style, and an interesting collection of cases combine to communicate the importance of managing operations and processes within a successful organisation.

Operations Management provides a strategic perspective, whilst also examining the practical issues which organisations face on a day to day basis. It uses over 120 examples from all over the world, reflecting the balance of economic activity between service (c.75%) and manufacturing (c.25%) operations.
