Every child needs a guardian angel--and the angels in these beautifully illustrated bedtime stories have come to earth to offer children compassion, kindness, and love. Each story is an exciting adventure in its own right, set in either a familiar modern-day environment or in the beloved fairy-tale world of princesses and giants. But these fables are also parables of difficulty overcome, and will comfort youngsters who may already have encountered sibling rivalry, peer pressure, or the challenges of a new stepfamily.
