Crystal Clear – Stories of Hope” is a collection of personal stories of recovery from the members of the Twelve-Step fellowship Crystal Meth Anonymous (CMA). CMA is a fellowship of people for whom crystal meth has become a serious problem.

Members of CMA describe their personal journeys getting clean and sober; their process of working the Twelve Steps; and offer their experience, strength and hope for those struggling with addiction to crystal meth.

The experience of CMA members is that Crystal Meth addiction is an incurable and progressive illness. We have found that not using one day at a time, working the Twelve Steps, attending meetings, and helping others to achieve sobriety can arrest it. If you believe you or someone you love has a problem with crystal meth, we offer a solution we have found in the spiritual principles contained in these pages.
