Circling the Sun A Detailed Summary! Circling The Sun is great written masterpiece by Paula McLain. The story of the life of Beryl Markham, a horse trainer and an aviator, has been written with mastery over the political, economic and ecological aspect of that time. The book gives us an insight into the life and works of Beryl Markham, an English woman, who had scandals throughout her life. However, she earned good name in the field of horse training and flying. In the book, Beryl Markham, the main character, sees the life with her own eyes. She interweaves relationships and pays heed to her job at the same time. She demonstrates her excellence and attracts male characters towards her including the Prince of Wales. She does not seem to care for rumors and scandals around her as she ends up becoming the first woman pilot to fly east-west solo across the Atlantic. Beryl Markham also became the first person to fly east-west non-stop from Europe to North America. Readers are warmly welcome to read the whole story, which is full of romance, fun, achievements, politics and cultural values. It is hoped that you will find the book engaging and informative.
