**The Golden Bough: A study of Magic and Religion** Sir James George Frazer

The Golden Bough. A study of Magic and Religion by Sir James George Frazer. The Classic. The Golden Bough: A Study in Magic and Religion is a wide-ranging, comparative study of mythology and religion, written by the Scottish anthropologist Sir James George Frazer (1854–1941). It was first published in two volumes in 1890; in three volumes in 1900; and the third edition, published 1906–15, comprised twelve volumes. The work was aimed at a wide literate audience raised on tales as told in such publications as Thomas Bulfinch's *The Age of Fable, or Stories of Gods and Heroes* (1855). Frazer offered a modernist approach to discussing religion, treating it dispassionately as a cultural phenomenon rather than from a theological perspective. The influence of *The Golden Bough* on contemporary European literature and thought was substantial.
