THE RAPTURE IS COMING SOON! . . . OR IS IT? Many Christians are intrigued by theories and questions regarding the end of time. • When will the world, as we know it, end? • What will the end time be like? • What will happen to both godly and ungodly people? A popular teaching is that the Lord may return at any time, and that the godly dead will be resurrected and living believers will be "raptured" (caught up) with them. It is further believed that confusion will take place on earth as multitudes disappear. A popular series of books is based on this belief. But is all of this so? Is it an accurate account of scriptural teachings? What does the Bible say about end time events? When will the rapture take place? Is it pre-millennial or post-millennial? Is it pre-tribulation or post-tribulation? Author Renus Cabe discusses these questions and related subjects with an analysis of relevant scriptures.
