The W. C. Fields Films

James L. Neibaur

The W. C. Fields Films James L. Neibaur

W.C. Fields was one of the top comedians during Hollywood's Golden Era of the 1930s and 1940s and has since remained a comic icon. Despite his character's misanthropic, child-hating, alcoholic tendencies, his performances were enduringly popular and Fields became personally defined by them. This critical study of his work provides commentary and background on each of his films, from the early silents through the cameos near the end of his life, with fresh appraisals of his well known classics. Pictures once believed to be lost that have been discovered and restored are discussed, and new information is given on some that remain lost.
