J.P. leaned back in his chair and placed his hands behind his head. Did this have something to do with the 21st Century Plan? Well, one way or another it is new information. He was worried that he had hit a dead-end after the formula issue. Now at least there is something that could be related to the project. He thought it was a little ironic that he was there at James to find out why someone had made a copy of the plan and in the process there had been an unrelated shooting, a stolen Lifeal formula, and an emerging board of directors battle, all seeming to have nothing to do with the 21st Century Plan.
