## Holidays for Romance: The Complete Series Peggy Bird

Holidays are the best kind of celebration, and what better to toast amid fireworks and feasts than finding new love? Join these six couples as they light up the calendar with new starts on old wishes:

- *Sparked by Love*: If artist Leo Wilson can get the okay to install his glass fireworks at Fort Vancouver on the Fourth of July, it could be his big career break. But some crabby bureaucrat is standing between him and the permits he needs. He's surprised to discover the culprit is actually beautiful, young Shannon Morgan, and even more shocked when fireworks ignite between them.
- *Unmasking Love*: Sparks fly when Julie Payne meets Trace Watkins at a costume party, and they end the night beneath the sheets while literally hiding behind their masks. When the holiday hook-up ends, their real identities present a serious snag: Trace manages the bank Julie happens to be suing. But will they turn this nasty trick of fate into a treat?
- *Lights, Latkes, and Love*: Non-profit CEO David Shay can't get enough of the December festivities. As manager of a large retail store, Hannah Jenkins, on the other hand, turns into a jaded Scrooge every year on Black Friday. Can a nice Jewish boy - with the help of some Christmas lights, a little girl, and a latke party - teach Hannah the true meaning of the season and guarantee them both a New Year's Eve kiss to remember?
- *Ringin' in Love*: When entrepreneur and single mother Catherine Bennett leases office space in Dominic Russo's building, she can't keep her mind - or her eyes - off her new landlord. Only problem is, he happens to be a known womanizer . . . and her professional rival. Then he offers her an irresistible chance at winning a huge contract if she partners with his company. Catherine must decide whether mixing business with pleasure might not be such a bad idea this New Year's Eve.
- *The Gift of Love*: Isabella Rodriguez received the worst birthday gift ever - an eviction notice from her family home. Adrift, she accepts an unexpected promotion and transfers to Seattle where she meets Taylor Jordan at a business mixer. They're drawn to each other like candles to a cake. But when Taylor discovers Bella was behind one of the most humiliating experiences of his life, will they be able to find a future together?
- *Thankful for Love*: Rancher Jack Richardson needs someone to wrangle his two sons, and Quanna Morales needs a steady job to fund her education and help support her disabled brother. But despite a working relationship, the two can't fight their attraction, even though Quanna worries his family and friends won't accept her Indian heritage. When her worst fears come true and a feud erupts at the Thanksgiving table, will Jack be able to convince her that their love is strong enough to overcome any obstacle?
