Mocklore Omnibus Tansy Rayner Roberts

Two fabulous novels in one great book! Kassa Dagersharp has just heard word that her dad's dead and she's heir to a vast silver treasure-trove from the famous Splashdance pirate ship. But in grand pirate tradition, the last will and testament of Vicious Bigbeard Dagersharp doesn't actually say where the silver is. And to add to Kassa's woes, everyone - from legendary royal champion and pin-up boy Aragon Silversword to the Emperor Lady Talle - seems to be trying to find and claim the silver for themselves. Liquid gold - the most seductively dangerous substance in the history of the cosmos - has just been discovered in the Mocklore Empire. But no sooner does its creator, Mistress Opia, realise its breathtaking capacity to manipulate time than Sparrow, the troll-raised mercenary, steals it away. With the liquid gold unleashed, nothing will ever be the same again, certainly not for Kassa Dagersharp, who is unexpectedly killed by a rampaging trinket. As the Underworld's latest client, Kassa is in a position to notice that something is terribly wrong with the afterlife - and everywhere else.

From reader reviews:

James Ames:

What do you about book? It is not important with you? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need that Mocklore Omnibus to read.

Johnny Ballance:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider if those information which is within the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Mocklore Omnibus as your daily resource information.

Eun Russell:
