I worked for 15 years for the U.S. Forest Service about ten miles from the North Rim of the Grand Canyon. My last visit was in the spring of 2015, so the information in this guide book is up-to-date. I also provide the direct links to the various attractions so you can get the latest information and prices. This guide book is divided into two parts, featuring a 7-day trip and a 14-day trip, covering a spectacular area of mountains, high desert, and wondrous canyons often referred to by the Chamber of Commerce folks as the Grand Circle – Zion, Grand Canyon, Monument Valley, Lake Powell, Bryce, and Cedar Breaks. I am going to show you the best places to shop, buy your liquor, find a good hotel room or camp, the premiere hikes in each park, where to grab the best meals, and what it all might cost. I will take all of the guess work out of your trip to the American Southwest. And for those using the Kindle version of the book, each item of interest is linked to the Table of Contents, so you don't have to scroll through the book and can find out exactly what you need to know with a click of a button. As an added bonus, I am going to fill in your days with many helpful Insider Tips that will give you information about the places you visit that few people know about. And I will also show you how to save your hard-earned money! So, just load this trusty guide onto your smart phone or iPad, follow my handy dandy directions, and the Canyonlands will come alive beyond your wildest dreams.
