White Rapids Pascal Blanchet

The rise and fall of a Canadian town

Award-winning Quebecois cartoonist Pascal Blanchet's graphic novel is a compelling account of the rise and fall of the small northern town of White Rapids. In the first English translation of his work, Blanchet seamlessly blends fact and fiction as he weaves together the official history of the town and snapshots of the quotidian life of its residents. Founded in 1928 in an isolated region of Quebec forest, the town was conceived and constructed by the Shawinigan Water & Power Company to function as a fully equipped, self-contained living community for workers at the nearby dam and their families. Intended as an incentive to lure workers to the remote and inaccessible region, White Rapids provided its residents with all the luxuries of middle-class modern life in a pastoral setting-until the town was abruptly shut down in 1971, when the company changed hands.

Blanchet's unique, streamlined, retro-inspired aesthetic draws on art deco and fifties modernist design to vividly conjure up idyllic scenes of lazy summer days and crisp winter nights in White Rapids, transporting the reader back to a more innocent time.

From reader reviews:

Ernest Keeler:

Here thing why that White Rapids are different and trusted to be yours. First of all reading a book is good but it really depends in the content from it which is the content is as delightful as food or not. White Rapids giving you information deeper since different ways, you can find any reserve out there but there is no publication that similar with White Rapids. It gives you thrill reading through journey, its open up your eyes about the thing which happened in the world which is probably can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. In case you are having difficulties in bringing the printed book maybe the form of White Rapids in e-book can be your substitute.

Gwen Dawes:

This book untitled White Rapids to be one of several books that best seller in this year, this is because when you read this guide you can get a lot of benefit in it. You will easily to buy this particular book in the book store or you can order it through online. The publisher of this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Mobile phone. So there is no reason to you personally to past this reserve from your list.

Bruce Butera:

White Rapids can be one of your beginner books that are good idea. All of us recommend that straight away because this e-book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort that will put every word into enjoyment arrangement in writing White Rapids yet doesn't forget the main place, giving the reader the hottest as well as based confirm resource information that maybe you can be considered one of it. This great information can easily drawn you into fresh stage of crucial thinking.

Deborah Walker:

In this period globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher this print many kinds of book. The book that recommended for your requirements is White Rapids this book consist a lot of the information from the condition of this world now. That book was represented how can the world has grown up. The words styles that writer make usage of to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Honestly, that is why this book appropriate all of you.
