**Criminological Theories: Introduction, Evaluation, and Application** Ronald L. Akers, Christine S. Sellers, Wesley G. Jennings

With a focus on empirical evaluation and practical application, *Criminological Theories: Introduction, Evaluation, and Application*, Seventh Edition, helps students draw connections between criminological theory and practical applications. In clear, engaging language, authors Ronald L. Akers, Christine S. Sellers, and Wesley G. Jennings explore each principal criminological theory **using a three-part analysis**:

An **Introduction** presents a succinct exposition of the theory's central concepts, assertions, and hypotheses

An **Evaluation** provides a detailed critique of the theory, with an emphasis on empirical validity

An **Application** extends the evaluation to determine each theory's relevance and its potential for controlling and preventing crime and delinquency
