The Fast-Track series is designed to take applicants who are seeking Federal Aviation Administration (FAA) certifications through from the most basic material on each test to the most advanced information.

Prospective test takers are supplied with questions that have been used in the FAA's knowledge exams along with an answer key, explanations, and references to quickly improve their comprehension and retention of the test and study materials. In addition, the General, Airframe, and Powerplant test guides also feature oral and practical study guides that include typical FAA questions and projects along with complete answers and study references. The Inspection Authorization Test Prep provides 200 authentic questions that can be asked on the FAA IA test and includes almost all of the reference materials for this test in one volume.
