My Souls Desire Londa B.

Desirae Lewis lived the life all women desired. With lavish mansions to call home, a debonair husband, exquisite cars, and enough ice to re-start the ice age; her life seemed complete. Her life was the life everyone wanted to wear and model down the avenue streets as if it were the latest fashion trend. Living the life of a rock star, there was seemingly no one in the world that could cancel Desirae's concert. That is, until her reckless behavior surfaces like the sun for all to see. Hungry for pleasure and thirsty for passion, her wildfire desires lead her into having risqué and intense "sexcapades" with men whom she is hardly acquainted with. As the wild child tries to wash her hands clean by confessing her adulterous and reckless behavior, she runs out of soap and more dirt appears. H.I.V. test results and a threat to expose her secret life come on the scene. The shocking news fiercely swats into her face like a wet slap, leaving a sting of regret that burns her soul. To make matters worse, people she once loved and trusted tear into her chest and rip her heart apart like an under trained, shaky handed surgeon; by committing merciless acts of betrayal. Will she learn from her lessons, and allow time to heal her wounds? Can she ever forgive all the people who have betrayed her, or will these new circumstances influence Desirae to continue with her risky behavior? Travel with Desirae to see where if her soul will journey. Will it be a tunneling ride to the gates of hell, or into the promising skies of redemption?
