## **Record Your Tea Adventures Using this Keepsake Journal!**

So many tea choices! How do you keep them all straight?

Using this journal, you can keep a detailed record of every tea you experience -- be it bagged or loose, black, green or herbal. The fill-in-the-blank Table of Contents makes it easy to refer back to flavors you've tried.

Whether you're a long-time tea lover or just beginning to experiment with all the options, this is the ultimate organizer to record your experiences. Each page includes space for noting details about both the tea and your overall experience, with space for both At-Home and Out & About Experiences.

Ever get frustrated trying to remember the name of a tea you tried long ago and want to find again? By creating your own personal record, now you can purchase the teas you love again and again ... and avoid repeating the "mistakes."

### **Bonus Content:**

Inside you'll also discover nuggets of tea history, tips and trivia, including an extensive timeline of tea-related world events. There are even a couple of word puzzles for you to work on while sipping your tea.

#### **Ernie Fleishman:**

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Tea Explorations Journal: Track Your Own Tea Tasting Adventures can make you sense more interested to read.
