Arthur Miller's Global Theater

Arthur Miller's Global Theater

No American playwright is more revered on the international stage than Arthur Miller. In *Arthur Miller's Global Theater*—a fascinating collection of new essays by leading international critics and scholars—readers learn how and why audiences around the world have responded to the work of the late theatrical icon. With perspectives from diverse corners of the globe, from Israel to Japan to South Africa, this groundbreaking volume explores the challenges of translating one of the most American of American playwrights and details how disparate nations have adapted meaning in Miller's most celebrated dramas.

An original and engaging collection that will appeal to theater aficionados, scholars, students, and all those interested in Miller and his remarkable oeuvre, *Arthur Miller's Global Theater* illustrates how dramas such as *Death of a Salesman*, *The Crucible*, and *A View from the Bridge* developed a vigorous dialogue with new audiences when they crossed linguistic and national borders. In these times when problems of censorship, repressive regimes, and international discord are increasingly in the news, Arthur Miller's voice has never been more necessary as it continues to be heard and celebrated around the world.

Enoch Brater is the Kenneth T. Rowe Collegiate Professor of Dramatic Literature at the University of Michigan. His other books include *Arthur Miller: A Playwright's Life and Works* and *Arthur Miller's America*.
