Confessions of an Elf Ira David Wood III

I don't think anyone honestly believes that this infamous list, supposedly kept by Santa, really amounts to a hill of beans. Naughty or nice, everybody's included in Christmas. Always! That's just the way the boss operates. An elf from the North Pole, on a determined mission, breaks the Elfin Code of Silence in order to bring our twenty-first century world an update on the true meaning of Christmas and the very real spirit of Santa Claus. His outsider perspective of the world of 'biggles' offers each person who celebrates Christmas a valuable lesson on the holiday, their lives, and an inside look at who Santa Claus really is. As he explains it to the author: 'This isn't as much a book for children as it is a book for the child-like virtues inside all humans ...?regardless of their age.' If the Christmas season is a special time in your life, this book is for you.
