How Pornography Harms

John D. Foubert

How Pornography Harms John D. Foubert

Pornography is menacing people, relationships, and society, and this book has the research and stories to prove it. John D. Foubert, Ph.D., an interdisciplinary scholar who has studied sexual violence since 1993, shares the life stories of more than twenty people directly affected by pornography. He also interviews scholars and explains how pornography affects our brains. In examining the many ways pornography is devouring the God-given sexual health of the Internet generation, he highlights its connection to sexual violence and how it ruins lives. He also focuses on who makes pornography and their motives, recent trends in pornography, and how pornography is changing the way people have sex. Perhaps most importantly, he explains what we can do to confront pornography in our own lives, the lives of our loved ones, and in society. Whether you are a teen, young adult, a parent, pastor, scholar, or you are just curious about what pornography does to people, your conscience will be shocked and your points of view deeply challenged by what Foubert has uncovered about the reality of today's pornography.
