Mel Bay Understanding Ukulele Chords Robbert van Renesse

This book is intended for ukulele players who had some experience with their instruments, but would like to increase their musical ability, as well as for guitarists who like to improve their accompaniment skills on the treble strings of the guitar. There exist many excellent introductory ukulele methods, as well as extensive chord dictionaries. Instead, this book is intended for those players who wish to be able to sight read from a fake book, figure out the chords to a song without a chart, create accompaniments to their own songs, create chord solos, extend their chord vocabulary, or further their understanding of harmony.
