In the first golf book to link to smartphone video lessons, "the hottest instructor in golf" (*Sports Illustrated*) delivers a thirty-day greenside clinic for revolutionizing your full swing.

Stan Utley's breakthrough putting and short-game strategies have made him one of the most sought-after golf instructors in America. Over the years, he has noticed an added benefit to short-game enhancement: mastering the sequence of motion for a putting stroke, chip, or pitch shot is an integral part of mastering a superb full swing. In *The Art of Sequencing Your Swing*, Utley introduces the groundbreaking new instructional methods that grew from this discovery.

In this thirty-day program, Utley focuses on grip, stance, and posture for short-game shots, and teaches readers the new sequence of motion that will transform their swing. He puts additional guidance in their hands using a multimedia element: Readers can snap pictures of bar codes throughout the book that will tag original video lessons in an online library, bringing to life his winning techniques. Blending step-by-step instruction with anecdotes and examples from Utley's work with pro clients, *The Art of Sequencing Your Swing* offers priceless advice for transforming your game at any level.
