## **The Werewolf** Montague Summers

2012 Reprint of 1933 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Unsurpassed in its sheer scope and depth, the first definitive work on were-wolfs, employs a theological and philosophical approach, incorporating an extensive range of historical documentation and folklore. Summers examines the supernatural practice of shape-shifting, notes the finer distinctions between werewolfery and lycanthropy, and explores the differences of opinion on exactly how ordinary humans are transformed into creatures. Augustus Montague Summers was an English author and clergyman. He is known primarily for his scholarly work on the English drama of the 17th century, as well as for his idiosyncratic studies on witches, vampires, and werewolves, in all of which he professed to believe. He was responsible for the first English translation, published in 1928, of the notorious 15th-century witch hunter's manual, the *Malleus Maleficarum*

### From reader reviews:

#### **Brandon Li:**

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that problem above. Every person has distinct personality and hobby for every other. Don't to be pressured someone or something that they don't need do that. You must know how great in addition to important the book The Werewolf. All type of book are you able to see on many options. You can look for the internet resources or other social media.

#### **Eva Velasco:**

Precisely why? Because this The Werewolf is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the publication store hurriedly.

#### **Norman Brown:**

You may spend your free time to see this book this reserve. This The Werewolf is simple to bring you can read it in the recreation area, in the beach, train and also soon. If you did not get much space to bring typically the printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

#### **Irene Delong:**

What is your hobby? Have you heard in which question when you got scholars? We believe that that question was given by teacher to the students. Many kinds of hobby, Every person has different hobby. So you know that little person just like reading or as reading become their hobby. You should know that reading is very important and also book as to be the issue. Book is important thing to add you knowledge, except your own teacher or lecturer. You discover good news or update about something by book. Different categories of books that can you go onto be your object. One of them is actually The Werewolf.
