Drawn from her sheltered life when her housekeeper Tess goes missing, Amanda goes to France in an attempt to find her. During her search Amanda meets Michael, an artist with bizarre sexual tastes who awakens in her a taste for the shameful delights of discipline and introduces her to a secret society of hedonistic perverts who share her unusual desires. Amanda revels in her new-found sexual freedom, voluntarily submitting to extreme indignities of punishment and humiliation, but does not realize until too late the full extent of the society's depraved and perverted plans. Can Tess and Michael save her from the ultimate degradation the society has in store?
