B Is for Big Ben: An England Alphabet (Discover the World) Pamela Duncan Edwards

Although America officially declared its independence in 1776, we owe much of our heritage, culture, and even style of living to England, our mother country. In *B is for Big Ben: An England Alphabet*, young readers are given an armchair tour of a country that may be small in size (smaller than the state of New York!) but a giant in history, achievement, and influence. Of course, everyone has heard about England's famous kings and queens, and castles and monuments. But did you know that many of our everyday conveniences started as British ideas? Charles Babbage designed the first computer in the nineteenth century. And guess what contribution came from the Earl of Sandwich? From the ancient stillness of Stonehenge to the picturesque charm of the Lake District to the bustling streets of London, *B is for Big Ben* reveals the many treasures, past and present, of merry old England. To find recipes, games, interactives maps and much more for this title visit www.discovertheworldbooks.com! Pamela Duncan Edwards was born and lived in England many years before moving to the United States. As the author of more than 25 children's books, she is a popular visitor to schools and reading conferences. Pamela's other books with Sleeping Bear Press are *Why the Stomach Growls* and *O is for Old Dominion: A Virginia Alphabet*. She lives in Vienna, Virginia. Melanie Rose's artwork has graced the pages of numerous Sleeping Bear Press books including *Z is for Zamboni: A Hockey Alphabet*; *A is for Axel: An Ice Skating Alphabet*; and *H is for Home Run: A Baseball Alphabet*. A native of England, Melanie is a graduate of the Ontario College of Art and lives in Ontario Canada.

From reader reviews:

Barbara Clarke:

What do you concerning book? It is not important to you? Or just adding material when you really need something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question since just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this specific B Is for Big Ben: An England Alphabet (Discover the World) to read.

Virginia Glass:

As people who live in often the modest era should be revise about what going on or facts even knowledge to make them keep up with the era which is always change and move ahead. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know which one you should start with. This B Is for Big Ben: An England Alphabet (Discover the World) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Louise Rosenbaum:

The reason? Because this B Is for Big Ben: An England Alphabet (Discover the World) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were being you I will go to the guide store hurriedly.

Nora Mickey:

Your reading 6th sense will not betray you actually, why because this B Is for Big Ben: An England Alphabet (Discover the World) reserve written by well-known writer who really knows well how to make book which might be understand by anyone who read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still skepticism B Is for Big Ben: An England Alphabet (Discover the World) as good book not simply by the cover but also from the content. This is one publication that can break don't assess book by its include, so do you still needing yet another sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to a different sixth sense.
