## Deadly Plague

There seems to be little connection between the viral devastation of a small African village and the massacre at a drug research facility in Belgium... But Mack Bolan has learned the hard way that appearances can be deceiving. In fact, a wealthy industrialist is about to expand the release of a highly contagious virus out of Africa and into the States, and use the "miracle" antidote as his ticket to the US presidency. It's up to the Executioner to take down the villain's mysterious assassin and stop the pending epidemic...
