**Game Seven** Paul Volponi

**A fastball of a book by Paul Volponi—an author who knows sports and suspense!**

Julio Ramirez Jr. lives in the shadow of his famous father. Not just because Julio Senior is a pitcher for the Miami Marlins and famous for his scorching fastball, but because he defected from Cuba, leaving Julio and his sister and mother branded as the family of a traitor. Now sixteen, Julio has dreams of playing shortstop for Cuba's national team—until he's given the opportunity to sail to the U.S. Can he abandon his family, just like his Papi did? Is freedom worth the perilous journey and risking prison if he's caught? Will his Papi be waiting for him on the other shore—or, with the Marlins in the World Series against the Yankees, has Julio Senior forgotten all about his son?

"An entertaining tale of baseball, family and loyalty."—*Kirkus Reviews*

"Volponi once again delivers top-notch sports fare coupled with a deeper story of family and fidelity. . . Readers will identify with Julio as he juggles dreams, bitterness, and family loyalties in this lyrical, spare novel."—*Booklist*

"A poignant story. . . this is a must-read for any teen who not only loves stories about sports but also enjoys reading about families."—*VOYA*

### From reader reviews:

#### **Joe Bell:**

Book is to be different for every grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book Game Seven had been making you to know about other know-how and of course you can take more information. It doesn't matter what advantages for you. The e-book Game Seven is not only giving you much more new information but also for being your friend when you sense bored. You can spend your current spend time to read your publication. Try to make relationship while using book Game Seven. You never feel lose out for everything if you read some books.

#### **Rosa Goldschmidt:**

This Game Seven book is not really ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book will be information inside this book incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. That Game Seven without we understand teach the one who looking at it become critical in contemplating and analyzing. Don't possibly be worry Game Seven can bring when you are and not make your tote space or bookshelves' become full because you can have it within your lovely laptop even cellphone. This Game Seven having great arrangement in word and layout, so you will not truly feel uninterested in reading.

#### **Clark Palumbo:**

This Game Seven is great book for you because the content which is full of information for you who also always deal with world and get to make decision every minute. This book reveal it data accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having Game Seven in your hand like finding the world in your arm, info in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen second right but this e-book already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

#### **Christopher Bohner:**

With this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple strategy to have that. What you should do is just spending your time almost no but quite enough to have a look at some books. One of many books in the top listing in your reading list is actually Game Seven. This book and that is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking way up and review this book you can get many advantages.
