## **Lotus Under The Sun** Ms Troshell Richardson

This being my first book it wasn't easy to publish. When I started writing I wrote for emotional release believing I was the only one contending with the battle of being a mother of three in love with feelings for another woman. The moment I starting sharing my story, those with challenges I never knew were coming, the stories of love for her or she, the battle within I thought was only mine to fight. I was completely amazed at the support discovered in truth. Written here are my truths, the good, the bad and the reality of being me. We women are all flowers in full bloom no matter who and how we choose to love. Love like it's the only thing that matters. Each poem placed carefully on pages is there so you will know I'm alive and loving the best I know how. Thank you for listening and reading my heart.
