Mixed Martial Arts Battle, Dream, and Destiny of the Never Tap Out Warriors; Fight Like a Barbarian in the Gothic Worlds of Demonic Savages M. E. Harlan

This poetry book contains an eclectic collection of poems written in a variety of styles, and mostly in reference to the sport of mixed martial arts cage fighting. An attempt has been made to capture all the drama and flavor of the sport, as well as creating a thread of spiritual connection from cover to cover. A few nonsensical and humorous poems have been interspersed throughout the book to create a change of pace from some of the more serious reading.
