Unholy Alliance: The Agenda Iran, Russia, and Jihadists Share for Conquering the World Jay Sekulow

The *New York Times* bestselling author of *Rise of ISIS* exposes the dangers of radical Islam and the effects it has on the American way of life in this informative and eye-opening new book.

In *Unholy Alliance*, Jay Sekulow highlights and defines the looming threat of radical Islam. A movement born in Iran during the Islamic Revolution in 1979, radical Islam has at its heart the goal of complete world domination. As this movement has grown, Iran has entered into alliances with Syria and Russia, leading to a deadly game of geopolitical threats and violence.

Not only will you better understand jihadist terror, but you will also learn about Sharia law—a legal code that removes all personal liberty and is starkly incompatible with the US Constitution. All Muslims are required to follow Sharia—as are all who live in lands controlled by Islam. It is the goal of radical Islam to see Sharia instituted across the globe.

If we are to combat radical Islam's agenda of domination, we must arm ourselves with knowledge. With carefully researched history, legal-case studies, and in-depth interviews, *Unholy Alliance* lays out the ideology and strategy of radical Islam, as well as the path we must take to defeat it.
