Updated with information reflecting the Graduate Management Admission Test as it is given today--which is as a computer-adaptive exam--this manual presents a diagnostic test with answers and analysis plus five full-length model exams with all questions answered and explained. Subject review sections are focused to help test-takers correct their weaknesses in essay writing, reading comprehension, sentence correction, critical reasoning, and math. The CD-ROM simulates an actual computer-adaptive test and scores the test-taker's results automatically.
