Emergency Response (First Responders Book 4) Susan Sleeman

DESIGNATED TARGET

On her way to visit a little girl she recently helped save, paramedic Darcie Stephens is attacked by a stranger dead set on killing her. She escapes unscathed when detective Noah Lockhart comes to her rescue, but an officer finds a hit list dropped by the assailant--and her name's next.

Now with an assassin constantly on their heels, Darcie and Noah must uncover why somebody wants her dead. Noah fights hard to protect Darcie, but she's determined to keep the cop at arm's length. After all she's lost, she's afraid to love again, especially a handsome lawman with a guarded heart. And a murderer doesn't plan to let Darcie live long enough for any second chances.

First Responders: Brave men and women alert and ready for danger and love.

From reader reviews:

Shirley Glover:

Reading a e-book tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. With book everyone in this world may share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Emergency Response (First Responders Book 4).

Dorothy Tran:

Playing with family in the park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Emergency Response (First Responders Book 4), it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its called reading friends.

Nelson Gendron:

This Emergency Response (First Responders Book 4) is great e-book for you because the content which is full of information for you who else always deal with world and possess to make decision every minute. This specific book reveal it data accurately using great organize word or we can claim no rambling sentences within it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Emergency Response (First Responders Book 4) in your hand like finding the world in your arm, info in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen moment right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. active do you still doubt in which?

Marian Dyer:

Don't be worry should you be afraid that this book will certainly filled the space in your house, you may have it in e-book means, more simple and reachable. This specific Emergency Response (First Responders Book 4) can give you a lot of good friends because by you considering this one book you have factor that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This book offer you information that might be your friend doesn't understand, by knowing more than additional make you to be great people. So , why hesitate? We need to have Emergency Response (First Responders Book 4).
