Free Indeed: Deliverance Ministry Dr. Douglas E. Carr

Free Indeed! is designed to set captives free and to equip those walking in freedom to set others free. It builds a basic foundation of deliverance ministry and a framework to minister deliverance personally and for others.

Dr. Carr was first exposed to deliverance ministry by his own personal need. Always a God-seeker, he was bound by a form of religion that denied the power of God.

In 1987, Dr. Douglas Carr was stunned as his marriage of eighteen years and ministry of fifteen years came to a crashing halt. Confused, embarrassed and ill-equipped for life, let alone being a single parent of three children, he found that all his theological training and experience left him ill-equipped to handle the demons he had never admitted surrounded his life.

Desperation put him in a quest to find answers to the questions that his Evangelical training didn't even ask. Everything looked hopeless, but God was in control the entire time. He led Douglas through a course of study on deliverance and deep healing which brought wholeness to him that he wants others to enjoy.

Trial and error produced some results, but an increasing sense that there had to be more led him on a forty-day fast. This fast connected him with his destiny to teach and minister deep healing and deliverance to others.

Since completing his Masters and Doctorate in Deliverance and Intercession Doug has ministered to hundreds through seminars and private deep healing appointments.

Free Indeed! is the product of the lessons learned through the journey from brokenness to wholeness. Doug's heart and desire is that this book will help others receive and minister the same freedom that he has found.
