## **Jacqueline** Jackie Minniti

When ten-year-old Jacqueline Falna hears her mother's scream, she is unaware that the axis of her world is about to tilt. Her father's plane has been shot down by German fighters. In the midst of poverty, food shortages, air raids, and the grinding hardship of daily life under Nazi rule, she forms an unlikely alliance with David Bergier, a twelve-year-old Jewish neighbor who poses as her cousin after his family is "relocated" by the Nazis. When Rennes is liberated, Jacqueline meets an American soldier and becomes convinced that he has been sent to reunite her with her father. Based on a true story, "Jacqueline" is a tale of family, faith, unusual friendships, and the resiliency of the human spirit set against the backdrop of occupied Rennes in 1944. With the drama of fiction and the authenticity of personal history, "Jacqueline" is both a story about family and a family's story.

### From reader reviews:

#### **Karen Taylor:**

What do you ponder on book? It is just for students as they are still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby for each and every other. Don't to be pressured someone or something that they don't desire do that. You must know how great and important the book Jacqueline. All type of book would you see on many methods. You can look for the internet resources or other social media.

#### **Ladonna Warren:**

The reason? Because this Jacqueline is an unordinary book that the inside of the book waiting for you to snap it but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who have write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

#### **Miriam Normandin:**

Do you like reading a e-book? Confuse to looking for your best book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy with regard to reading. Some people likes examining, not only science book and also novel and Jacqueline or maybe others sources were given expertise for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those books are helping them to put their knowledge. In other case, beside science reserve, any other book likes Jacqueline to make your spare time a lot more colorful. Many types of book like this one.

#### **Curtis Phillips:**

What is your hobby? Have you heard in which question when you got students? We believe that that query was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person just like reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You find good news or update concerning something by book. Many kinds of books that can you choose to use be your object. One of them is actually Jacqueline.
