**Goodnight Everyone** Chris Haughton

**From the creator of *Shh! We Have a Plan* comes a mesmerizing bedtime tale of a forest settling into slumber and one little bear trying to stay awake.**

The sun is setting, and everyone in the forest is getting sleepy. The mice, rabbits, and deer all give great big yawns as they snuggle up with their families for the night. But *someone* isn't sleepy just yet. Little Bear thinks he can stay awake a bit longer. Can he do it? Chris Haughton's bold and vibrant illustrations will captivate little ones eager to stay up just a teeny bit longer, while sweet depictions of animals cozying up in their beds for the night will soon have them yawning off to a dreamland of their own.

### From reader reviews:

#### **Sherrie Shannon:**

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. Typically the Goodnight Everyone is kind of guide which is giving the reader unstable experience.

#### **Ruth Walker:**

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Goodnight Everyone as your daily resource information.

#### **Joshua Cameron:**

Playing with family in a park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Goodnight Everyone, you could enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't buy it, oh come on its named reading friends.

#### **Mary Craine:**
