Calming, creative and complex, Jenean Morrison's Hand-Drawn Mandalas Coloring Books are a fantastic way to destress, decompress, or just make some beautiful images. Each of the 30 mandala designs was hand-drawn by Jenean and features an organic quality in both shape and line weights. This series contains images printed on the fronts of pages only (so you don't need to worry about bleed-through if you choose to use markers) and comes in a square 8.5" x 8.5" format. **The spaces within these designs are a bit larger than in Jenean's other books so you can use your creativity to fill them up with solids, dots and your own colorful designs!** As always, Jenean hopes you enjoy coloring this book as much as she enjoyed creating the designs!
