**Los Angeles Water Works: Histories of Water and Place** Studio for Southern California History

Los Angeles Water Works explores Southern California's connections to water and is published by the nonprofit organization the Studio for Southern California History. This book was compiled over the summer of 2013 in part to acknowledge the 100th anniversary of the opening of the Los Angeles Aqueduct on November 5th and its regional consequences. This book has art, poetry, history information, maps and resources to go further.
