Politics of Divination: Neoliberal Endgame and the Religion of Contingency (Reinventing Critical Theory) Joshua Ramey

Since the 2008 financial crisis, the neoliberal ideas that arguably caused the damage have been triumphant in presenting themselves as the only possible solution for it. How can we account for the persistence of neoliberal hegemony, in spite of its obviously disastrous effects upon labor, capital, ecology, and society? The argument pursued in this book is that part of the persistence of neoliberalism has to do with the archaic and obscure political theology upon which of much of its discourse trades. This is a *political theology of chance* that both underwrites and obscures sacrificial devotion to market outcomes. Joshua Ramey structures this political theology around hidden homologies between modern markets, as non-rational randomizing 'meta-information processors', and archaic divination tools, which are used in public acts of tradition-bound attempts to interpret the deliverances of chance. Ramey argues that only by recognizing the persistently sacred character of chance within putatively secularized discourses of risk and randomness can the investments of neoliberal power be exposed at their sacred source, and an alternative political theology be constructed.

From reader reviews:

Patrick Sherman:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their own spare time to take a move, shopping, or went to the actual Mall. How about open as well as read a book entitled Politics of Divination: Neoliberal Endgame and the Religion of Contingency (Reinventing Critical Theory)? Maybe it is to get best activity for you. You already know beside you can spend your time with your favorite's book, you can smarter than before. Do you agree with it is opinion or you have some other opinion?

Corey Gardner:

Reading a reserve tends to be new life style in this particular era globalization. With examining you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Politics of Divination: Neoliberal Endgame and the Religion of Contingency (Reinventing Critical Theory).

Bobby Blade:

People live in this new moment of lifestyle always aim to and must have the time or they will get large amount of stress from both everyday life and work. So , once we ask do people have free time, we will say absolutely yes. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you try this one, reading publications. It can be your alternative inside spending your spare time, often the book you have read is Politics of Divination: Neoliberal Endgame and the Religion of Contingency (Reinventing Critical Theory).

Tara Thornton:

Playing with family inside a park, coming to see the ocean world or hanging out with close friends is thing that usually you might have done when you have spare time, and then why you don't try thing that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Politics of Divination: Neoliberal Endgame and the Religion of Contingency (Reinventing Critical Theory), it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.
