Mishima's Sword: Travels in Search of a Samurai Legend

Christopher Ross

Mishima's Sword: Travels in Search of a Samurai Legend Christopher Ross

On November 25, 1970, the world renowned Japanese writer Yukio Mishima committed *seppuku* with his own antique sword. Mishima's spectacular suicide has been called many things: a hankering for heroism; a beautiful, perverse drama; a political protest against Japan's emasculated postwar constitution; the epitaph of a mad genius. Part travelogue, part biography, and part philosophical treatise, *Mishima's Sword* is the story of Christopher Ross's journey to find a sword and maybe an understanding of Mishima's country. The cold trail the author follows inspires a tale of the most engaging-and occasionally bizarre-sort, with glimpses of the real Japan that is not seen by tourists, with digressions on, among other things, bushido and socks, mutineers and Noh ghosts, nosebleeds and metallurgy-and even how to dress for suicide.
