Social Rights and Human Welfare

Hartley Dean

Social Rights and Human Welfare Hartley Dean

An essential introduction to rights-based approaches in social policy, this text critically explores how social rights underpin human wellbeing. It discusses social rights as rights of citizenship in developed welfare states and as an essential component within the international human rights and human development agenda. It provides a valuable introduction for students and researchers in social policy and related applied social science, public policy, sociology, socio-legal studies and social development fields.

Taking an international perspective, the first part of the book considers how social rights can be understood and critiqued in theory – discussing ideas around citizenship, human needs and human rights, collective responsibility and ethical imperatives. The second part of the book looks at social rights in practice, providing a comparative examination of their development globally, before looking more specifically at rights to livelihood, human services and housing as well as ways in which these rights can be implemented and enforced. The final section re-evaluates prevailing debates about rights-based approaches to poverty alleviation and outlines possible future directions.

The book provides a comprehensive overview of social rights in theory and practice. It questions recent developments in social policy. It challenges certain dominant ideas concerning the basis of human rights. It seeks to re-frame our understanding of social rights as the articulation of human needs and presents a radical new 'post-Marshallian' theory of human rights.

From reader reviews:

Dora Vazquez:

What do you ponder on book? It is just for students because they are still students or it for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has several personality and hobby for each other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book Social Rights and Human Welfare. All type of book can you see on many sources. You can look for the internet solutions or other social media.

Michael Mitchell:

Beside this kind of Social Rights and Human Welfare in your phone, it may give you a way to get closer to the new knowledge or details. The information and the knowledge you might got here is fresh in the oven so don't possibly be worry if you feel like an outdated people live in narrow community. It is good thing to have Social Rights and Human Welfare because this book offers for you readable information. Do you sometimes have book but you rarely get what it's about. Oh come on, that would not happen if you have this in your hand. The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss the item? Find this book as well as read it from today!

Donna Canales:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many query for the book? But almost any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but also novel and Social Rights and Human Welfare or maybe others sources were given information for you. After you know how the great a book, you feel wish to read more and more. Science publication was created for teacher or even students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science reserve, any other book likes Social Rights and Human Welfare to make your spare time far more colorful. Many types of book like this.

Teresa White:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Social Rights and Human Welfare can make you really feel more interested to read.
