## **The Covenant** Curtis B. Davis

To many Christians all over the world, one of the most important lessons the Bible teaches is about salvation. How can individuals achieve eternal life? In the Bible, who are the important players in humankind's salvation?

Author Curtis B. Davis's *The Covenant* presents an uncompromising truth of what the Bible teaches about humankind and its salvation. Just as God used Noah for the salvation of a remnant of the antediluvian, or pre-flood world, so does he use Abraham for the salvation of a remnant of this world. It is imperative that everyone who harbors hopes of salvation come under the bond of the covenant God made with Abraham by keeping his laws and commandments. Davis asks and answers questions many have about salvation in general and their own. Does a saved person go to heaven, or have we been misled? Who is Satan lying through? Who are the Gentiles of the Bible? How close are we to the end of this age?

*The Covenant* leads you on a discovery of the truths of salvation. You will also find yourself reconsidering most of what you think you know.
