The Enoch Stone T E Gower

A fast paced adventure of Peter Groton, an archaeologist that has uncovered an ancient chamber created by Enoch before the flood. A sacred stone buried by Enoch contains the unspeakable name of God and gives incredible power to anyone that holds the stone. But, the stone is gone. Peter must unravel the riddles left behind to track the missing relic down. He is not the only one after the stone however. His long time rival, Roland Dubois, desperately wants the power from that the stone holds, and he is willing to do anything to get it. Peter must stay one step ahead of Dubois to find the stone, and to stay alive. This agnostic archaeologist will find along the way that what he is searching for is far greater than a stone tablet.
