The Springsweet Sandra Mitchell

When seventeen-year-old Zora Stewart arrives in the frontier town of West Glory, Oklahoma, to help her widowed aunt, she discovers that she possesses the astonishing ability to sense water under the parched earth. When her aunt hires her out as a "springsweet" to advise settlers where to dig their wells, Zora feels the burden of holding the key to something so essential to survival in this unforgiving land. Even more, she finds herself longing for love the way the prairie thirsts for water. Maybe, in the wildness of the territories, Zora can finally move beyond simply surviving and start living.
