A Theory of Freedom

Stanley I. Benn

A Theory of Freedom Stanley I. Benn

This book is a major contribution to the study of the philosophy of action, moral philosophy, and political philosophy. Its central idea is a radically unorthodox theory of rational action. Most contemporary Anglo-American philosophers believe that action is motivated by desire. Professor Benn rejects the doctrine and replaces it with a reformulation of Kant's ethical and political theory, in which rational action can be determined simply by principles, regardless of consequences. The book analyzes the way in which value conflicts can be rationally resolved, the objectivity of value, the concept of moral personality, the principles of non-interference and respect of persons, the ideals of autonomy and community and various aspects of individual rights--focusing on the rights to freedom, welfare, and privacy.

From reader reviews:

Richard Cassidy:

What do you consider book? It is just for students since they are still students or the idea for all people in the world, the actual best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book A Theory of Freedom. All type of book are you able to see on many sources. You can look for the internet sources or other social media.

Ronald Hopkins:

On this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple strategy to have that. What you are related is just spending your time not much but quite enough to experience a look at some books. One of several books in the top checklist in your reading list is definitely A Theory of Freedom. This book that is qualified as The Hungry Slopes can get you closer in growing to be precious person. By looking way up and review this publication you can get many advantages.

Charles Adams:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this A Theory of Freedom can make you sense more interested to read.

Manda Perez:

A lot of people said that they feel uninterested when they reading a guide. They are directly felt it when they get a half parts of the book. You can choose the book A Theory of Freedom to make your own personal reading is interesting. Your own personal skill of reading skill is developing when you like reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and reading through especially. It is to be initial opinion for you to like to available a book and examine it. Beside that the book A Theory of Freedom can to be your friend when you're really feel alone and confuse using what must you're doing of that time.
