If you could hear God and His messengers, would you take the time to listen and write down what they said? The author did and it has changed her life forever.

Connecting Heaven and Earth explains, in detail, how everyone has the ability to hear and write the messages. It will be an awakening to discover where you, personally, fit into the master plan, as it opens the door to a greater spiritual awareness, along with leaving no doubt of the continuing life hereafter. Opening our mind and heart allowing us to hear, we can be in contact with our guides and teachers as well as our loved one's that are no longer on the earth.

Connecting Heaven and Earth shows that each of us has a specific plan from the moment we are born and perhaps long before. It relates the importance of finding love, forgiveness and joy in our lives, as we learn to live life to the fullest extent. The love and warmth felt as these messages are read will leave the reader with a renewed feeling of peace and well-being, knowing they are never alone or without help from the greater power when we ask for assistance. Thus, bring the realization that there is much more than meets the eye to this life we are living.
