When attorneys Vernetta Henderson and Neddy McClain are tapped to take on the biggest case of their careers, they are less than thrilled about working together. Their strained relationship, however, is the least of their problems. Their socialite client--charged with the brutal murder of her husband--is demanding an immediate dismissal of the case. But a ruthless prosecutor is determined to make sure that doesn't happen. Forced to fight a common enemy, the two women close ranks and, in the process, develop a bond that sees them through the uncertainties of trial, the pain of betrayal and pressures neither could have imagined.
