Goethe Yearbook. Volume I: Publications of the Goethe Society of North America (Goethe Yearbook)

The *Goethe Yearbook* is a publication of the Goethe Society of North America, which was founded in 1980 to promote the study of Goethe and his contemporaries. Originally conceived as a vehicle for Goethe criticism in English during the Cold War political tensions, when the most prestigious Goethe publication, the *Goethe Jahrbuch*, was not available to most Western scholars, the *Yearbook* subsequently gained the respect of the international community, and has published articles, in both English and German, by scholars from around the world; it is unique among other periodicals devoted to the 'Goethezeit' for its extensive book review section.
