Are you sick of being disrespected and not living up to your true potential? Do you wish you knew how to develop the qualities of a great leader?

Whether you want to (1) lead more effectively, (2) be respected, or (3) know exactly what you can do to be a great leader, then **this is the book for you.**

Don't put your fate into the hands of others.

In this book you will discover how you can boost your leadership strengths and develop additional skills in your areas of weakness. Once you have done this, you will be much better equipped to lead the type of life that you desire. Most people let fear and lack of preparation hold them back, and so they end up taking orders from others instead of being the one who gives them. There's no reason you can't become a **true leader**. All it takes is a little time, practice and the ability to make good choices on a consistent basis. To make those tough choices, you need to know what other great leaders have done in the past to be successful, and that is just a quick read away

Leadership goes deeper than your words.

Leadership stems from the depths of your character. Character development takes time and effort, but you can't be a true leader without it. To facilitate character development, I have provided you with the **top 100 best strategies, habits, skills and much more**, that when established in your life, will lay a solid foundation upon which you can build up powerful leadership skills. These habits will help you shape your attitude, your thoughts, your beliefs, and the way you interact with others, so as to facilitate your growth as a true leader and someone people can look up to.

Take your leadership to the next level.

The true leader knows how to build a support team that is comprised of others who are good leaders as well. To do this, you will need to know how to influence and mentor others so as to bring out the best of their abilities. Your objective is to empower others and **inspire** them to pursue their own dreams. Then you can go after your own dreams and they will happily follow you, knowing that you are someone of character who has their best intentions in mind. Leadership is not about building a cult of supporters; a true leader lives and works in support of a common cause, and calls others alongside to share in the work.

Learn to lead well in any situation.

Because leadership is a skill, experience matters. As you lead, you are learning to lead, so I advise that you carefully evaluate both your successes and your failures. The more you consciously and deliberately practice leading, the more effective and influential your leadership will become. The ability to **learn from other great leaders is key**, and this book will give you all the details you will need to be successful and avoid costly mistakes.

What Will You Learn About Leadership?

- How to develop your inner leader.
- How to be an effective communicator.
- The best habits that great leaders use most often.
- How to **build a powerful team** around you.
- How to address stress, aggression and conflict when leading.

You Will Also Discover:
