## **Textbook for Dental Nurses** H. Levison

This best selling textbook for dental nurses completely covers the syllabus for the British Dental Nurses Association. The eighth edition has been updated to incorporate all those changes which have occurred since the last edition appeared in 1991. These include an increased use of technology, a greater awareness of cross-infection, new materials and techniques and new legislation. There is an increase in the number of detailed illustrations, more sample examination questions and more advice on how to approach the practical tests.
